

**POWELL RIVER REGIONAL DISTRICT  
SOUTHERN REGIONAL DISTRICT OCP REVIEW  
Information-Gathering Workshop #3, 10 January 2009**

This last information-gathering workshop session, held on Saturday afternoon, 10 January, was attended by over 50 residents, of whom 48 signed in.

The results of the Report Card exercise were presented and discussed. In addition, attendees were invited to raise any further questions or provide any comments they had on the current OCP, the exercise and the review process.

Based on the results of the Community Survey, the community values statement in the OCP, input from the Community Mapping session, comments for the Report Card exercise and comments sheets received at previous meetings, a draft Community Vision had been formulated. This was presented to the workshop participants. Feedback in both oral and written format was requested.

Comments were collected on a flip-chart and on 18 completed comment sheets. The compilation of all comments received will be included in the Public Consultation binder and posted on the PRRD's website.
