
TEXADA OFFICIAL COMMUNITY PLAN

Vol. 15

THANK YOU!

On Saturday, March 10, 2018, over 40 people attended the Community Visioning Workshop at the Texada Community Hall.

Thank you to everyone who took the time to join us!

Participants took part in a community visioning process. During the group conversations, residents discussed their thoughts and ideas on community priorities and what they would like Texada to look and feel like in the future.

Information collected at the workshop will help form the basis for developing a vision statement and community goals for the new Official Community Plan (OCP). For more details on the workshop and what was explored, visit the OCP engagement website:
