
TEXADA OFFICIAL COMMUNITY PLAN

We are excited to be taking the first steps towards updating the **Texada Island Official Community Plan!**

It's time to update the Texada Island Official Community Plan! The Official Community Plan (OCP) is the policy document that sets out the vision, goals and objectives for the **future of your island**. The OCP helps guide the Regional Board, staff and community members to make decisions on issues such as housing, employment, social well-being, environment and transportation. This update will provide a renewed vision for Texada and it's residents, as well as the policy framework to guide the island into the future.

The Regional Board recently appointed twelve community members to the **Texada OCP Planning Advisory Committee**. Monthly meetings of the Advisory Committee are open to the public to attend as observers and there will be time at the end of each meeting for question period. The next meeting will be on February 7, 2017 from 5:30 - 7:30 pm at the Texada Community Hall.

Stay Tuned!

In addition to the Advisory Committee meetings, there will be many more opportunities for you to participate. Stay tuned for future community engagement events near you!
