
TEXADA OFFICIAL COMMUNITY PLAN

Vol. 2

Have You Heard?

We are updating the Texada Island Official Community Plan! The Official Community Plan (OCP) is the policy document that sets out the vision, goals and objectives for the **future of your island**. The OCP helps guide the Regional Board, staff and community members to make decisions on issues such as housing, employment, social well-being, environment and transportation. This update will provide a **renewed vision** for Texada and it's residents, as well as the policy framework to guide the island into the future. Want to **learn more** about what the OCP means to you? **Join us** at the Open House!
